

AN INTEGRITY COMPANY

Save time and money with new AHIP discount program from IFC!

Special offers let you save \$50 on AHIP training.

AHIP training is a necessity if you sell Medicare products, but it represents an out-of-pocket cost for agents and agencies. Now, thanks to a new promotion from IFC National Marketing, all licensed IFC agents – and their non-licensed staff – can save both time and money on their AHIP certification through IFC.

Here's how it works:

1. AHIP training for 2025 becomes available on June 24, 2024.
2. Use the links below to sign up through IFC National Marketing to complete your AHIP training.
3. Pay \$125 to complete your training through IFC, compared to \$175 without the IFC discount.
4. Once training is complete, IFC will track and secure your AHIP certificate, saving you precious time.

Save money on AHIP training with IFC!
